2013 – 2014 Anticipated Disbursement Dates & Information

PELL GRANT

For eligible recipients, a portion of your Pell Grant **may** be available for you to use in the bookstore. You must be a California resident enrolled in 6 or more units (*with at least 1 class at Mesa. If you are enrolled in units only at City or Miramar you will not be eligible for aid at Mesa*). The amount used at the bookstore is then subtracted from your award and the remaining amount is divided into two payments based on the chart below. All checks are mailed to the address on file in the Admission's Office or Direct Deposited for those students who have set up this feature a minimum of 3-4 weeks prior to disbursement using **reg-e**. The post office **does not** forward Financial Aid checks. Please be sure your address is correct in reg-e at least 2-3 weeks or more prior to any disbursement.

For most students, you do not need to be full-time to receive a Pell Grant, but your award will be adjusted based on your enrollment status on the dates indicated below and can not be adjusted if you add classes after. (*If your EFC is 4901 or greater, there is no less-than full-time award amount*). **If you were awarded after the enrollment status date below, your disbursement date becomes your enrollment status date.**

LOANS

If you are a first year student, due to Federal regulations, your loan check will not be disbursed until at least **30 days** after the start of the semester. If you are in late starting classes, your loan will not disburse until you are actively in 6 units [1/2 time].

One-semester loans are disbursed in two payments and may be prorated per federal regulation.
