San Diego Mesa College is a fully accredited, comprehensive community college committed to access, success, and equity. We honor those commitments as a diverse community of faculty, students, professional staff, and administrators who collaborate to foster scholarship, leadership, innovation, and excellence in an inclusive learning environment. Mesa offers associate degree and certificate programs, and is one of 15 California community colleges offering a four-year baccalaureate degree. By promoting student learning and achievement that leads to degrees and certificates, transfer, workforce training, and lifelong learning, we empower our students to reach their educational goals and shape their future. Among the largest community colleges in California, Mesa College serves 30,000 students per year, approximately 36% of whom attend full-time. Mesa ranks as San Diego's top transfer institution, is a Hispanic Serving Institution, and serves more than 4,000 veterans and their families.

ABOUT THE SDCCD

As the second-largest of California’s 72 community college districts, the San Diego Community College District serves approximately 100,000 students annually through three two-year colleges and San Diego Continuing Education. The three colleges, San Diego City College, San Diego Mesa College, and San Diego Miramar College, offer associate degrees and certificates in occupational programs that prepare students for transfer to four-year colleges and entry-level jobs. Mesa College also offers a bachelor’s degree in Health Information Management. Continuing Education offers noncredit adult education at six campuses throughout San Diego.
