Notes:

The Mesa Pathways Committee (MPC) uses an integrated, equity-minded, student-centered approach to facilitate student success. Through structured educational experiences, MPC works to close equity gaps, improve student outcomes and guide students into and through college to the completion of personal, academic and professional goals.

IIIa. CCRC – SOA Assesment

Due date is September 30th and Academic Senate will meet to update the addendum to include Mesa language. On Monday, send your changes to Toni/Howard.

IIIb. Goals for next year

A Summer Retreat is needed to plan for next year and Toni will send a Doodle poll to select the correct date.

We need to develop concrete tools.

How do we align certain services to certain groups?

Over 50% of our student population do not know about our services.

As a campus community we aren't developing Guided Pathways.

We need to figure out the Meta Majors debate.

Why are we doing this?

We don't have a unifying point.
