---

* = Response is required

Closing the Loop (following up on last year's questions). If you would like to attach supplemental documents, exit this form and use the "Attachments" button (bottom left-hand corner).

1. In your 16-17 program review update, you reflected on your program's contributions to the College's overall goal of improving student success. You identified strategies and activities your program planned to engage in to address this goal. Please describe your program's progress over the past academic year.

* a. What is the status of the project/activities/program improvements?
No answer specified

* b. What improvements (if any) do you notice in your success data?
No answer specified

* c. What barriers or obstacles have you encountered?
No answer specified

Looking Forward

* 2. Identify one major area of focus for your program (e.g. integrating adjunct faculty, enhancing cultural competency, collaborating with high schools, etc.)
No answer specified

* 3. In what ways does this focus contribute to the College's goals of improving student success and what shifts have you seen (or do you hope to see) in your program data that you would attribute to this focus?
No answer specified

* 4. In what ways does this focus contribute to the College's goals of reducing equity gaps and what shifts have you seen (or do you hope to see) in your equity data that you would attribute to this focus?
No answer specified

* 5. What other trends or patterns do you notice in the data that warrant further exploration?
No answer specified
