A Call for Tutors: https://www.dropbox.com/s/tflf03x1f5l6drs/TutorFlyer.pdf?dl=0

Tutoring is one of the proactive student support services promoted by the California Community College Chancellor's Office as an evidence-based practice connected to student success. MT2C (The Mesa Tutoring and Computing Centers) provides a platform for collaboration and communication across the campus and integrates student success and equity efforts. Our tutorial center hires tutors who reflect the diverse student body of Mesa College and supports Mesa's commitment to becoming the leading college of equity and excellence.

·   Tutors "On the Floor"

o   Students who want information about becoming a tutor in the LRC and other centers should contact Dr. Sim Barhoum (sbarhoum@sdccd.edu) and enroll in Education 100.

o   We have a tutor training class starting right after Spring Break!

·   Tutors "In the Class"

o   Students who want information about becoming a tutor within the classroom should contact Dr. Mariam Kushkaki (mkushkak@sdccd.edu) for more information.

o   We are currently recruiting Classroom Tutors (CTs).

·   Tutors can make up to $12.07/hour.
