ADDITIONAL HONORS REQUIREMENTS:

Research Paper:
The student will be required to complete a research paper (approximately 10-12 pages in length) designed to broaden the student’s understanding of key concepts and subject matter presented in the course. It is expected that this assignment will promote the opportunity for the student to engage in more advanced exploration of material and should incorporate at least 10 supplemental references other than the course text.

The paper will include the following components:

Part 1: Topic proposal
This part includes a summary of the chosen topic for the research paper. The topic proposal is worth 5 points.

Part 2: List of potential references
This part includes a list of potential references that may be used in the paper. This list is worth 5 points.

Part 3: Paper outline
This part includes an outline of the proposed paper, along with the list of references that will be used in the paper. The paper outline is worth 20 points.

Part 4: Research Paper
This part includes the completed research paper and is worth 120 points.

Meetings with the Instructor:

The instructor will meet with the student at least three times during the semester (and possibly more, as necessary) to discuss progress, evaluate proposed work, and to evaluate works completed or in progress.

GRADING SCALE:
The student will be graded out of 750 points rather than 600 points.
Five Exams (worth 100 points each) 500 points total
Regular Project 100 points
Honors Research Paper 150 points

Total 750 points
All due dates will be set by the instructor throughout the semester.
