Bio:

Nathan Betschart has been living in San Diego, California since 2000 and works mainly with ceramic and mixed media sculpture. He received his BA in studio art from Humboldt State University in Northern California in 1999 and his MFA in studio arts from San Diego State University in 2004. He has been an instructor at several San Diego colleges, including, San Diego State, Grossmont College, Mira Mesa College and Southwest College. Nathan has exhibited his work throughout the country along with being co-curator of multiple exhibitions. Currently he is working towards a solo exhibition at the Hyde Gallery in La Mesa in April of 2007.
