

2010-2011 San Diego Mesa College Articulation and United States University Articulation Agreement: Lower Division General Educational Requirements

Please note Community College students can transfer to United State University at any time as long as they have completed USU minimum enrollment/transfer requirements. USU's minimum requirement is a High School Diploma or equivalent.

Transfer Information: Students must have a High School diploma or GED or have passed the High School Equivalency exam. Transfer students can transfer up to 60 lower division units from Transfer Level Courses to USU under the following conditions: 1) Students must have a GPA of 2.0 in all transfer courses, AND 2) Each transfer course must be completed with a "C" grade or better. *Please note United States University does not accept "D" grades.

San Diego Mesa Information: This articulation agreement is intended for students transferring from San Diego Mesa College to United States University. Students, who plan to attend San Diego Mesa College and have earned credit at other colleges and/or universities, are subject to the acceptance and use of credit policies of the San Diego Community College District.

Liberal Studies majors: see Lower Division Major and GE Requirements for Bachelor of Arts in Liberal Studies form instead.

2010-2011 San Diego Mesa College and United States University Articulation Agreement: Lower Division Major Requirements for Bachelor of Arts in Interdisciplinary Studies

Please note Community College students can transfer to United States University at any time as long as they have completed USU minimum enrollment requirements. USU's minimum requirement is a High School Diploma or equivalent.

Specialized degree program for foreign students who have completed their coursework
at a foreign College or University.

The USU experience: USU students will have the opportunity to complete their Bachelor's and/or Master's degrees in an educationally enriching environment in courses that are held just two days a week in the evening. Each course is one month long or nine sessions in duration, making it easy for students to work and carry out life activities successfully and fully while in school. For further information about USU please call us at the number below or meet with an USU Counselor in the Transfer Center or at the USU campus.

Information about the Bachelor of Arts in Interdisciplinary Studies degree: 1)The Bachelor of Arts in Interdisciplinary Studies degree is for students who have completed most of their coursework at a foreign college or university and would like to get a US Bachelor's Degree so that they might become eligible to enter a US Master's or PhD program of study. 2)The Bachelor of Arts in Interdisciplinary Studies consists of 40 core units. 3) Of the 40 units needed to complete this program, 10 units can be completed at a community college. USU requires that students must complete a minimum of 30 units at USU.

In addition to the core program, students must present documents with college level course work that equals general education subject matter: 2 courses in mathematics; 2 courses in science; 2 courses in humanities; 2 courses in social science/history.

Lower Division Major requirements for Bachelor of Arts in Interdisciplinary Studies:

- 1) Students must complete courses with a GPA of 2.0 & all classes must be completed with a "C" grade or above.
- 2) Students should not complete more than 10 units below total prior to transfer & should see an Academic Counselor ASAP.
