ECE 53A Fundamentals of Electrical Engineering I

ECE 53B Fundamentals of Electrical Engineering II

VIS 21 Introduction to Non-Western Art

## **The following majors had some changes:**

**Anthropology:** Renamed course prefixes.

**Jacobs School of Engineering:** Under "Admission Requirements" section – The required preparation for all engineering transfer students has been reworded to be consistent across **all** engineering majors. This will take care of any confusion in regards to the highest level computer programming course for ECE.

**Cognitive Science:** Added more course options (Math 11).

**Earth Science:** Prefix changed from EARTH to SIO (Scripps Institute of Oceanography). SIO 50 can now be articulated.

**Economics:** Course title changes.

**Human Development Major:** Added more course options.

**Japanese Studies:** Course title changes.

**Literature Majors:** Added additional course options.

**Mathematics:** Math 11L added to Math 11 instance. All courses articulated with Math 11 are automatically articulated with Math 11L.
