A Note from Student Affairs

Hello Mesa College Student Leaders,

As we draw the 2020 Spring Semester to a close, I just wanted to express how thankful we are for your service to Mesa College's community. Mesa College is well known for the robustness of its student clubs and organizations, and we could not achieve such distinction without the hard work of students like you! We look forward to working with you to meet the challenges of the future, whatever they may be.

Many of our club members and leaders are also advanced students ready to graduate, and we would especially like to congratulate them on the successful completion of their journey here at Mesa College. As you may already know, Mesa College has decided to present a Virtual Commencement Ceremony, which will go live on Tuesday, July 17, 2020. We encourage you to participate in this virtual ceremony if you are graduating, and to share your congratulations with your fellow students in honor of their achievements.

Thank you, again!
Sincerely,
Victoria Kerba Miller
Dean of Student Affairs

Hello students, faculty, and staff,

This is your ICC president hoping you all the best as the semester nearly comes to a close. This is a time of great change for all of the schools organizations from the bottom to the top, adjusting and reorganizing in this crisis.

In the ICC we’ve been working hard, thinking about how we can better serve students and clubs during the upcoming institutional changes. We ask that you all will be patient with us and be willing to share feedback on any changes the ICC implements. The ICC always encourages suggestions from any source.

Finish this semester strong; we know you can!

Thank you,
Timothy Ackerson,
