

June/July 2011 Report

President's Cabinet

- No meetings

DGC (District Governance Council)

- July 6, 2011
 - Action Items
 - Reviewed & approved last meeting minutes (with few changes)
 - Information Items
 - Went over the board docket for July 7th meeting.
 - Discussed State budget & planning strategies (mostly covered in Chancellor's email to dl dated June 29th. Something to note if state does not find 3 billion dollars by midyear an automatic fee increase will be triggered for community colleges. The fee will rise to \$46 per unit.
 - Discussed AB515, basically a dead bill. The board will still pass a resolution opposing it. It would create a 2 tier system within the college where some credit classes would cost more money. This would create a scenario where the rich can buy the classes they need and the poor would struggle to get into the filled classes.

Budget (canceled)

Foundation

- June 15, 2011
 - Action Items
 - Scholarship recipient requested to postpone her disbursement (approved)
 - Management association requested unused scholarship funds be returned to them (approved)
 - Humanities dept. intend to apply for a grant re: African Art work (approved to support)
 - Information Items
 - Discussed Financials
 - Discussed the need to change wording in letters for endowment to put the term irrevocable.
 - Discussed lack of applicants for particular scholarships.
