DGC (District Governance Council)

- May 18, 2011
 - Action Items
 - Reviewed & approved last meeting minutes.
 - Information Items
 - Update on Summer Offerings, 440 students registered with summer graduates having top priority. 1100 classes usually offered, now offering 35. No crashers.
 - Budget strategies keeping same strategies to reduce 10 million
 - Student Parking Permit Fee Increase, much discussion, most of the shared governance groups opposed. They have a 4 year deficit, discussion involved civic center impact, charging staff for permits, Daily parking fee increases, City college having a unique situation because a permit to park is cheaper than daily parking in the surrounding business area.
- June 8, 2011 (canceled)
 - Action Items
 - Reviewed board docket with no issues or questions via email.

Budget (Robin on vacation)

- March 4, 2010
 - Action Items

- Approval of last meetings minutes
- Information Items
 - May revision budget update “largely positive”, budget gap is reduced from 26.6 billion to 10.8 billion. For community colleges May revise proposes to keep most of the actions earlier budgeted intact (\$400 million base reduction plus increase fees of \$10 per unit)
 - Review of tentative budget

Foundation has not met since last report
