

**SAN DIEGO MESA COLLEGE DSPS
ASSESSMENT REFERRAL
ATTENTION DEFICIT DISORDER (ADD)**

Note: Inclusion on this list is not an endorsement by the DSPS Department or Mesa College. This is just a sample of what is available in the San Diego community. Check the Yellow Pages under Psychologists, Neuropsychologists, Educational Therapist, and/or Psychiatry (Physicians) for further options.

Caution: You may want to first check with your health insurance company to see if the cost of an assessment will be covered through them. It may be most cost effective to go through your health insurance carrier. If not you may want to choose one of these:
