29	30 EOPS Priority Registration					

Dear EOPS Students,

Due to the State budget reductions, EOPS will be forced to drastically reduce grant and book vouchers services. However, this will not affect our programs top benefit — **priority Registration!** Priority registration for the spring semester will take place on November 30th, 2009.

Do not miss out on this important benefit. Over 400 classes have been cut this year and courses will fill earlier than ever. *Don't get left out.*

NEW and CONTINUING EOPS students: The Mesa EOPS program has reached capacity level and is no longer able to admit additional students. Students who now apply will be placed on a waiting list and will be notified when an opening occurs.

For students that are already in the program, services will continue. Be sure to review your Mutual Responsibility Contract and fulfill your program requirements.

For workshops on the calendar: Please call the EOPS office for workshop location. An appointment is required to reserve your spot. Call (619)388-2706 at least one day in advance of workshop date.
