2016-2017 Verification Worksheet
Independent Student
Household Size

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) or California Dream Act application was selected for review in a process called "Verification." The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. You have received this form due to your response on the FAFSA indicating that you have legal dependents other than your child or a spouse that live with you and are receiving more than 50% of their financial support from you. Based on your age and Federal Regulation you are considered a Dependent Student. To verify that you have provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet in PEN ONLY, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
