2015 STUDENT'S (SPOUSE) INCOME CERTIFICATION

Your 2016–2017 Free Application for Federal Student Aid (FAFSA) or California Dream Act application was either selected for review in a process called verification by the Department of Education or by the Financial Aid Office. The law says that before awarding any Student Aid, we may ask you to confirm the information you reported on your application. To verify that you provided correct information we will compare your application with the information on this worksheet and with any other required documents. If there are differences, your corresponding application information may need to be corrected. You (and your spouse if you are married but filing separate tax forms AND are not separated) must complete and sign this worksheet in PEN ONLY, attach any required documents, and submit the form and other required documents to the financial aid office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
