## Financial Aid

2016-2017

FINANCIAL AID OFFICE – 7250 MESA COLLEGE DRIVE, SAN DIEGO, CA 92111

Effective with the 2012-2013 school year, San Diego Mesa College (along with Miramar College and City College) have been approved by the U.S. Department of Education to participate in an experimental initiative regarding "Over-borrowing" that allows our college to reduce or eliminate Unsubsidized Loan eligibility and borrowing for certain groups or categories of students.

### THE FOLLOWING GROUPS OR CATEGORIES OF STUDENTS WILL NOT BE ELIGIBLE TO BORROW UNSUBSIDIZED LOANS:

#### 1. 1<sup>st</sup> YEAR STUDENTS

- 1st year is defined as students who have completed less than 24 units in their current program of study based on their current official Student Education Plan.
- Units that will be counted towards the 24 units will be units that fulfill the major, general education and district requirements for the current program or major based on the educational plan.
- Units that will not be counted towards the 24 units are units that are basic skills or remedial, ESOL, electives or any other units that are not applicable to the current program or major based on the educational plan.

#### 2. STUDENTS APPROVED ON APPEAL

- Students who have an "Unsatisfactory" status for any reason and who are approved on appeal will not be eligible for an Unsubsidized Loan.

#### EXCEPTIONS:

- a. Students accepted and actively enrolled in the Radiology Technology program at Mesa
- b. Students accepted and actively enrolled in the Cosmetology Program at City
- c. Non-Resident Students with no Pell Grant Eligibility.

#### REASONS FOR PARTICIPATION IN EXPERIMENTAL SITE INITIATIVE :

- a) **Minimize** the impact of excessive borrowing by at-risk students
- b) **Reduce** default rates.
- c) **Protect** the participation in Federal and State grant programs that monitor loan borrowing and repayment behavior of students.
- d) **Make** California Community Colleges low cost institutions and the lowest cost public institutions in the country.
- e) **Ensure** students have access to loans after transferring to four year institutions
