Your 2017-2018 Free Application for Federal Student Aid (FAFSA) or California Dream Act application was selected for review in a process called "Verification." The law says that before awarding any Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA or Dream Act Application. To verify that you provided correct information we will compare your application with the information on this worksheet and with any other required documents. If there are differences, your corresponding application information may need to be corrected. At least one parent must complete and sign this worksheet in PEN ONLY, attach any required documents, and submit the form and other required documents to the financial aid office.
