2017-2018 Verification Worksheet
Unusual Enrollment History

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History Review" by the U. S. Department of Education because you received Federal Pell Grant and/or Federal Direct Loan funds at multiple education institutions during the review period 2013-14, 2014-15, 2015-16 and 2016-17. This flag requires San Diego Mesa College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, San Diego Mesa College will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly so your financial aid will not be delayed.
