Dear Student:

You have indicated on your 2018 - 2019 Free Application for Federal Student Aid [FAFSA] that you have or will have a bachelor's degree by July 1, 2018 **or** that you will be a Graduate/Professional student during the 2018 – 2019 academic year.

Before we can continue processing your application the Financial Aid office will need clarification, as having a Bachelor's Degree will disqualify a student from receiving aid based on the Standards of Academic Progress and federal regulations. Also, at San Diego Mesa College there are no graduate programs.

Please visit the San Diego Mesa College Financial Aid Office during regular business hours with a written statement regarding your status or fax a statement directly to the office at (619) 388-2824 so that a Financial Aid staff member can determine what corrections, if any, may be needed. Please include your name and CSID number on all communications.

If you do have your Bachelor's Degree completed you are disqualified from receiving aid with the exception of the Board of Governor's Enrollment Fee Waiver [BOGW] for California residents who qualify. If you have not borrowed beyond the aggregate student loan limits* and wish to appeal for a student loan only, please follow the instruction on the appeal form which can be found on-line after approximately July 1, 2018 at: <http://www.sdmesa.edu/financial-aid/forms.shtml> or visit the Financial Aid office at Mesa College.
