

## FINANCIAL AID APPEAL PROCESS

### Documentation that is needed:

- Official [sealed] Academic Transcripts from **all** prior colleges attended, posted with Records Office (I-400).
- Student Education Plan (Educational Program Plan) from Counseling based on your current educational goal, as stated on your appeal form. Visit the Counseling Center [MV-27] to make an appointment with one of our Academic Counselors.

NOTE: If the Student Education Plan on file does not match your stated educational goal, the committee will not consider your appeal

- Appeal form.

NOTE: Include hospital bills, death certificate(s), or other documentation to support your claim.

1. Your appeal petition along with all supporting documentation must be in the Financial Aid Office by 12:00pm on the date indicated on the appeal form or your last day of classes for the term (whichever comes first). See Deadlines on page 2.
2. All appeals are reviewed in the order in which they are received.
3. Generally, appeals are reviewed within two to four weeks. However, during peak periods, which are July – September and December – February; the review process may have an additional four to six weeks waiting period.
4. Your petition must clearly state your academic major and anticipated completion date for your program of study. This major should match the major in your Educational Plan.
5. Your petition must be specific and concise in your explanation since incomplete information may cause a denial or delay in your appeal petition. Incomplete forms cannot be evaluated.
6. Include a detailed explanation of the measures that you have taken to ensure that your academic performance will improve and/or what actions you have taken to correct the circumstances that created your prior lack of academic progress as defined.
7. Do not include in your explanation your need for financial aid as part of your rationale for reinstatement on federal aid. The Committee assumes that any student filing an appeal is doing so based upon financial need.
8. It is NOT the responsibility of the Financial Aid Office to know if an appeal is submitted "complete" and with all supporting documentation. Once the appeal committee has reached a decision, no additional documents can be added. The appeal will be reviewed as submitted.

NOTE: Your Financial Aid Appeal and the Financial Aid Appeal process is being evaluated for the following "Student Learning Outcomes": ability to analyze problems, weight of evidence, ability to effectively communicate and civic and personal responsibility.

**The decision of the Appeal Committee is FINAL.**

## Guidelines to obtain a Student Education Plan

1. A Student Education Plan is required by our office if you are in an appeal situation or are requesting a sophomore level student loan amount.
2. If you are unsure if you need a Student Education Plan completed, please check with the Financial Aid Office.
3. Know what your educational goal is.
4. If you already have a Student Educational Plan and it is for your current educational goal, attach a copy to your appeal petition or bring a copy to the Financial Aid Office immediately.
5. If you do not have a Student Educational Plan or do not have based on your stated educational goal, please call 619-388-2473 or go to the Counseling Center, Room MV-27 [in the Student Services Village at the east end of student parking lot #1] to make an appointment with one of our academic counselors.
6. All OFFICIAL (sealed) Academic transcripts from all prior colleges you've attended must be on file in the District's Records Office. All previous course work from colleges and universities other than Mesa, City, or Miramar must be evaluated. **Please note that EOPS students should make an appointment to see their counselor in the EOPS Office. They are located in I3-101, and their phone number is 619-388-2706.**
7. Once you have the Student Education Plan prepared, you must submit a copy to the Financial Aid Office. This document will assist you in choosing which classes you need to take to complete your educational goal. You need to follow this plan in order to maintain financial aid eligibility. Failure to do so could result in aid being denied, especially if you have to go through the appeal process because of lack of progress, or because you have reached the limits of eligibility at San Diego Mesa College or have a degree. **PLEASE REVIEW THE STANDARDS OF ACADEMIC PROGRESS**, pages 16 & 17 in the *Financial Aid Bulletin* or on-line at:  
<http://sdmesa.edu/financial-aid/pdf/StandardsAcademicProgress.pdf>
8. A Student Education Plan is not official unless it has been created and prepared by a SDCCD Academic Counselor.

\_\_\_\_\_ I understand that I will be notified by mail or e-mail of the Financial Aid Appeal Committee's decision.

\_\_\_\_\_ I understand that I am currently **NOT eligible** to receive aid except for, if eligible, the Board of Governors Enrollment Fee Waiver. \_\_\_\_\_ I understand that an appeal approval cannot re-instate my aid for a prior semester. I must submit all appeal paper work to the Financial Aid Office by noon on the last day of the semester for which I am seeking financial aid or my last day of classes for the term (whichever comes first) in order for the appeal committee to make a decision.

\_\_\_\_\_ I understand that the appeal decision is for the entire academic aid year and that **the decision is final.**
