Hiring Manager
Rathburn Fashion Design, Inc.
62 Lakeland Avenue
Any Place, USA 99999

Dear Ms. Montgomery:

My internship with Tween Fashions and Associate of Science degree in Fashion Design from San Diego Mesa College have prepared me for the job you've advertised on JobBankUSA.com for two new fashion designers with an emphasis on clothing for youth.

As a part of my internship and coursework, I designed a line of leisure clothes for children 8-12 years of age. I'm aware of the responsibility and opportunities available to qualified fashion designers and I'd like to be one of those you select to work for Rathburn Fashion Design. I'm ready for a new challenge. I am available to begin work within two weeks.

I look forward to talking with you about the job opportunities as a fashion designer for Rathburn and to show you some of the clothing I designed. Thank you for your time and consideration

Sincerely,

Jill Jobseeker
