In fall 2019, the Transfer Center assisted 1,858 students with transfer applications! The Career Peer Ambassador Program (CAP) expanded their resume building services to offer peer-to-peer coaching sessions on cover letter writing, job search, and interview preparation. In rapid response to assist students whose lives and educational goals have been disrupted by the impact of the COVID-19 crisis, CAP transformed its program to offer immediate ONLINE resume and cover letter assistance to all currently enrolled Mesa College students and alumni.

In Spring 2020, the Career Center team introduced a NEW FREE Online Career Ready Guide Course. The new tool allows students to build 21st Century workplace skills through a virtual self-paced course. 210 student users have used our NEW Career Ready Guide tool.

The Career Center and Work-Based Learning partnered to host a variety of San Diego employers on campus, to meet with students during the Fall 2019 and Spring 2020 Career Fest Weeks. Students learned about the desired workplace skills along with career opportunities available. Industries represented: Business, Community & Social Services, Fashion, Health and Fitness, STEM, Humanities, Technology, and Urban Planning & Sustainability.
