

Work Experience Students

San Diego City, Mesa and Miramar Colleges and Continuing Education have developed an online student training to help students **understand and prevent sexual assault and harassment**. As part of our comprehensive prevention program for students, student will need to complete **Part 1 (required)** of the online training in order to be eligible to do their college work off site. Completing Part 2 is encouraged. This online education will empower you to make well-informed decisions about issues that affect your college years and beyond.

PLEASE READ THE FOLLOWING CAREFULLY:

The online training program titled *Haven* will be available before the first day of class. You will need one EverFi Higher Education Account to access the course from your computer.

To obtain your account please follow these steps:

- Go to: <http://www.everfi.com/register> on any modern web browser (Chrome, Firefox, Safari or Internet Explorer)
- Enter the Registration Code: **8ef36412** and click "I'm a Student" to create your EverFi Account
- When prompted; please enter your CSID to receive credit for completion.
- You must print a report by clicking on "**Course Progress**" upon successful **completion of Part 1** of the course and provide a printed report to your course instructor **by the end of the 2nd week of the semester**.

- **Completing Part 1** of Haven by the end of the **2nd week** of the semester will prevent any delays in your ability to do your coursework off site.
- Completing Part 2 is encouraged, but not required. After completing Part 1, there is a 30 day wait until you receive an email from Everfi that Part 2 may now be completed.

Other Important Information:

- You will need Internet access and audio capabilities.
- Course progress is saved; you may take the course in multiple sittings. On average, Part 1 takes about 1 hour to complete.
- All training responses are confidential and not personally identifiable.
- Should you experience problems, technical support is available 24/7 and can be accessed from the "Help" link within the course.

Thank you for your cooperation in promoting a safe learning environment for everyone.
