

Dear Mesa Students, Faculty, Staff, and Administrators,

Some Student Services department will soon be moving to our new Modular Village which is located at the east end of Student Parking Lot 1 (see moving schedule below).

Once they've moved, these departments will reside in the Modular Village until our new Student Services Center is completed in 2011. They include: Accounting, Admissions, the Career Center, Counseling, the Dean of Matriculation's office, Evaluations, Outreach, Testing, the Transfer Center, and Veterans/Records.

Here is a schedule of our departmental moves which will occur sequentially (in other words, not all on the same day or days). Please keep this handy for the next three weeks so you will know where to find us.

Services are available! Come see us. We're here to help.

San Diego Mesa College, Student Services
