

SATISFACTORY ACADEMIC PROGRESS (SAP) FOR FINANCIAL AID

A student's eligibility for financial aid in the 2011-2012 academic year will be determined using these Standards.

The POLICY FOR STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID RECIPIENTS become effective with the Summer 2011 semester and supersedes all previous standards.

INTRODUCTION

Federal regulations require that colleges set standards that you must meet in order to be eligible for financial aid and to keep it from one academic year to the next. Even if you have never applied for or received financial aid, your overall history in college will be reviewed before you are awarded financial aid to make sure you are meeting these standards. To be eligible for aid, you must comply with all standards regarding maximum time frame, completion rate and cumulative GPA.

A. DECLARATION OF YOUR MAJOR

You must declare a specific major area of study. You may choose an Associate's degree or transfer program. Our catalogs list the requirements for various majors. If you are undecided about your major course of study, we suggest you discuss your educational objective with an academic counselor.

B. EDUCATIONAL PLAN

We strongly recommend that you obtain a counselor-approved Educational Program Plan*. Your educational plan is an unofficial outline of the courses you need to complete your major. You use it as a guide to see how many credits and required courses you have completed at all colleges, and how many more credits and required courses you need to complete your educational objective.

*To get an Educational Plan, you must make an appointment with an academic counselor at your campus.

C. STUDENTS TRANSFERRING FROM ANOTHER COLLEGE

If you transferred from a college outside the San Diego Community College District (SDCCD), you must request an official academic transcript from the college(s) you attended to have an Educational Plan developed. Transcripts will be reviewed by the District Student Services staff to determine the transferable units. These units will be used to determine if you have exceeded the Maximum Time Frame (Section D) and the Completion Rate (Section E).

D. MAXIMUM TIME FRAME

Completion of an Associate Degree normally requires 60 units. Based on federal regulations, a student is allowed a maximum time frame not to exceed 150% of the published length of the educational program (60 units x 150% = 90 units).

- You may receive aid until you have attempted 90 semester units (134 quarter units) of college credit. This includes units attempted within the SDCCD and all transfer units accepted by the SDCCD.

- You may receive aid until you have earned an Associate's or higher degree.
- You may be paid financial aid for up to 30 attempted units of remedial course work. A maximum of 30 units of remedial course work will be excluded in the calculation of the maximum time frame.
- ESOL classes are not counted as remedial coursework.
- The maximum time frame will not be adjusted for a change of major.
- Repeated courses will be included in determining the maximum time frame.
- Academic renewal does not apply to the Financial Aid standards and the calculation of units attempted and completed.

E. DETERMINATION OF ACADEMIC PROGRESS (COMPLETION RATE)

In order to be making satisfactory progress you must complete at least 67% of all units attempted in the SDCCD and all transfer units accepted by the SDCCD. (60 units/ 90 units = 67%).

- Units completed are "A" through "D" grades, or "P" passing with credit.
- Units not completed are "F" grades, "W" Withdrawal, "I" Incomplete, "NP" Not Passing or "RD" Report Delayed.
- Remedial courses and repeated courses will be used in the determination of academic progress (completion rate).

Your academic progress will be evaluated once each year at the end of the spring semester. A year is defined as summer, fall and spring. Using our professional judgment, we may monitor your SAP on a case by case basis once a semester.

Exception: If you are enrolled in a Certificate program that does not lead to an Associate's Degree, your academic progress will be evaluated every semester.

CUMULATIVE GPA (GOOD STANDING)

Your cumulative GPA progress will be evaluated once each year at the end of the spring semester. A year is defined as summer, fall and spring. To be in Good Standing,

- If you have attempted 24 units or less, you must have a cumulative GPA of 1.75 or higher at the end of your first year.
- Otherwise you must have a cumulative GPA of 2.00 or higher at the end of each year.
- Using our professional judgment, we may monitor your SAP on a case by case basis once a semester.

DISQUALIFICATION

You will be disqualified if, at each cumulative, yearly evaluation period, you -

- Have completed less than 67% of the total cumulative units attempted or
- Have not met the cumulative GPA Progress standards or
- Have attempted more than 90 units or
- Have earned an Associate's, Transfer or higher degree (includes Bachelor's, Master's and Doctorate degrees). This includes degrees from all colleges in the United States or from foreign countries.

F. APPEALS

If you are disqualified and you have documented extenuating circumstances such as injury or illness, death of a relative or other special circumstances, you may submit an appeal to your campus Financial Aid Office for the Appeal Committee's consideration. Appeals will be considered in the date order in which they are received. Your appeal and any supporting documents must be received in the Financial Aid Office by the last day of the term or your last day of classes, whichever comes first, for the term you are filing an appeal.

Note: To submit an appeal, you MUST obtain and submit a counselor-approved Educational Program Plan.

In your appeal, you must include the following:

- Why you failed to make Satisfactory Academic Progress
- What has changed or what steps you have taken that will allow you to make Satisfactory Academic Progress (SAP)
- If you have an Associate's Degree or higher, please explain why you are enrolled at a community college and the purpose of returning to a two year program

If your appeal is approved, you will be placed on "Financial Aid Probation" for one payment period (one semester) only and you must make Satisfactory Academic Progress (SAP) and comply with any specific conditions in your appeal decision. If you do not make SAP or meet the conditions in your appeal decision, you will be disqualified again and you must meet the reinstatement conditions as described in Section G to be considered for further aid.

THE DECISION OF THE APPEAL COMMITTEE IS FINAL.

G. REINSTATEMENT FROM SECOND DISQUALIFICATION

You may apply again for financial aid after complying with any specific conditions in your previous appeal decision and you must be enrolled in at least six applicable units or in the remaining units required to complete your current degree or program. You will need to submit a new appeal for every academic term you want to be considered for further financial aid. Reinstatement is not an automatic process and is not guaranteed.

APPLICABILITY OF THESE STANDARDS

These standards apply to the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work Study (FWS), Federal Direct Loan Program, Cal Grant programs and any other Federal or State programs that may be required to follow these standards. They are effective beginning with the Summer 2011 semester and will be used at the end of each Spring semester for eligibility determination for the following school year. These standards supersede all previous standards.

The "Policy for Standards of Satisfactory Academic Progress for Financial Aid Recipients" was approved by the San Diego Community College District Student Services Council on May 11, 2011.
