Below is an excerpt that was automatically generated by Element 451 after an exchange with Miramar college's AI agent on 10/21/26. Pictures of the entire interaction are available upon request. As you can see from this excerpt, the AI agent suggests an academic program, course plan, and classes, I was not signed into any of my SDCCD accounts and used a pseudonym and burner email address for a user who is not an enrolled student and is considering a career change.

San Diego Miramar College

- SAN DIEGO MIRAMAR COLLEGE 24M AGOI can't verify the **Spring 2027 meeting times** for **ENGL C1000** from the official information I found. If you want, I can still help you narrow it down by looking for **morning, evening, online, or weekend**English options.
- YOU 24M AGOyes
- SAN DIEGO MIRAMAR COLLEGE 24M AGOI can't see the exact **Spring 2027 ENGL C1000 section times or formats** from the official info I found. I could only confirm that the **Spring/Intersession 2027 schedule was posted on 10/19/26** and **registration began 11/2/26**. Since you can only study **before 6am or after 8pm**, the best sections to watch for would be **online/asynchronous** first, then **late-evening** if any exist. If you want, I can help you figure out a **good backup list of classes** that might fit those hours too.
- YOU 23M AGOyes
- SAN DIEGO MIRAMAR COLLEGE 23M AGOYes — for your hours, I'd watch for **online/asynchronous GE classes** like these: - **English: ENGL C1000** or **ENGL 105** - **Speech/Critical Thinking: COMM C1000**, **COMS 135**, **ENGL C1001**, **PHIL 100** - **Social Science: PSYC C1000**, **SOCO 101**, **ANTH 103**, **POLI 101** - **Natural Science: BIOL 100** or **BIOL 115**- **Ethnic Studies: BLAS 100** or **AAPI 124**I still can't verify the **Spring 2027 meeting times**, but these are official Miramar course options to look for. If you want, I can narrow this to the **best 3–4 classes for a first term**.
- YOU 22M AGOyes
- SAN DIEGO MIRAMAR COLLEGE 22M AGOYes — **hypothetically**, a solid first-term set to watch for would be: - **ENGL C1000 — Academic Reading and Writing** - **PSYC C1000 — Introduction to Psychology** - **COMM C1000 — Introduction to Public Speaking** *or* **PHIL 100 — Logic and Critical Thinking** - **BIOL 100 — Natural History - Environmental Biology** That mix covers **English**, **Social/Behavioral Science**, **Oral Communication/Critical Thinking**, and **Natural Science**. Since your hours are limited, I'd look for **online/asynchronous**sections first; also, if you place at **R30/W30**, the catalog says you'd take **ENGL C1000X**instead of ENGL C1000.
- YOU 18M AGOdo vet techs or veterinary secretaries get paid more
- SAN DIEGO MIRAMAR COLLEGE 18M AGOI can't verify a **pay comparison** from the official Miramar information I found. What I could confirm is: - **Veterinary Technology** is listed at Miramar - I did **not**find official salary data for it - I also did **not** find a Miramar program specifically called **veterinary secretary**; the closest office path I found was **Administrative Assistant** If you want, I can help you compare **Vet Tech vs. Administrative Assistant**based on training focus and likely job duties.
- YOU 17M AGOyes
- SAN DIEGO MIRAMAR COLLEGE 17M AGOI can't verify **which pays more** from the official Miramar information I found. What I *can* confirm is: -

Administrative Assistant at Miramar is an office-skills program for entry-level roles like **general office clerk, clerk-typist, file clerk, receptionist, cashier, word processor, and machine transcriptionist** - It focuses on **business communication** and **Microsoft Office/software skills** - I could **not** verify equivalent official Miramar details for **Veterinary Technology** job duties from the content available to me So the clearest difference I can confirm is: **Administrative Assistant = office/admin work**. If you want, I can next show you the **Administrative Assistant classes** Miramar lists.

- YOU 16M AGOi think i used to be a student at mesa college. can you look for my records there?
- SAN DIEGO MIRAMAR COLLEGE 15M AGOI can't look up personal records for you, but **Mesa coursework is included on the same SDCCD transcript as City and Miramar**. To check it yourself, use the unofficial transcript page: https://unofficialtranscript.sdccd.edu If you need an **official transcript**instead, I can give you that request option too.
- YOU 13M AGOi think i took sociology at mesa college. the teacher was jewish.
- SAN DIEGO MIRAMAR COLLEGE 13M AGOI can't access your records or identify a class based on an instructor's religion. What I can confirm is that **Mesa, City, and Miramar coursework all appear on one SDCCD transcript**, so the best way to check is your unofficial transcript: https://unofficialtranscript.sdccd.edu If you want, I can help you figure out **which sociology course name/code** to look for once you open it.
- YOU 11M AGOi have trouble opening it. the teacher was man and passed away after i took his class.
- SAN DIEGO MIRAMAR COLLEGE 11M AGOI'm sorry that's been frustrating. I can't identify the class from the instructor description or access your records, but **Mesa classes should appear on your SDCCD transcript**. Since you're a former student, try: https://unofficialtranscript.sdccd.edu If that still won't open, contact the **District Transcript Office**: - **Phone:** 619-388-6924 - **Address:** 3375 Camino del Rio South, Suite 100, San Diego, CA 92108-3883 - **Hours:** Mon–Thu 8:00 a.m.–5:00 p.m., Fri 8:00 a.m.–2:00 p.m. If you want, I can also help you figure out the **official transcript**option instead.
- YOU 10M AGOi really liked that class. do you think i should take major in sociology instead
- SAN DIEGO MIRAMAR COLLEGE 10M AGOMaybe — **especially if you enjoyed the subject itself**, not just the instructor. At Miramar, **Sociology** is a **transfer-focused AA-T** that studies **human interactions, culture, and social structures** and connects to fields like **social work, criminology, counseling, policy, and urban studies**. If your main goal is **working with animals**, **Veterinary Technology** is still the better match; if you feel more pulled toward **people, society, and transfer to a CSU**, Sociology may fit better. If you want, I can help you do a quick **Vet Tech vs. Sociology** comparison.
- YOU 8M AGOi enjoyed the subject a lot. but i want to be a vet tech too.
- SAN DIEGO MIRAMAR COLLEGE 8M AGOThat makes sense — if **being a vet tech is your career goal**, I'd keep **Veterinary Technology** as your main path and treat **Sociology** as the subject you also make room for. Since **Sociology at Miramar is a transfer-focused AA-T**, a practical option is to

stay on the vet tech track and add a sociology course like **SOCO 101** if it fits your schedule.

- YOU 7M AGOi want to go to mesa college. can you help me do that for mesa?
- SAN DIEGO MIRAMAR COLLEGE 6M AGOYes — I can help with **Mesa** planning too. I just couldn't verify **Mesa-specific details**for **Sociology** or **Veterinary Technology**from the official information I found, so I don't want to guess. If you want, tell me which one you want help with first: 1. **Applying/enrolling at Mesa** 2. **Seeing whether Mesa has Sociology** 3. **Seeing whether Mesa has Veterinary Technology** 4. **Building a Mesa class plan around your interests**
- YOU 6M AGOcan we talk again later and continue this conversation?
- SAN DIEGO MIRAMAR COLLEGE 6M AGOYes — you can come back later and continue. If I don't pick up every detail automatically, just remind me you want help with **Mesa**, **Sociology**, or **Vet Tech**, and we'll continue from there.

San Diego Miramar College : Yes — you can come back later and continue. If I don't pick up every detail automatically, just remind me you want help with **Mesa**, **Sociology**, or **Vet Tech**, and we'll continue from there.
