SAN DIEGO MESA COLLEGE

HyFlex Resident Certification Verification Form

Per 38 U.S.C. 3313(c)(1)(B)(iii) and 38 U.S.C. 3313(g)(3)(A)(ii)(l)(bb), the Department of Veteran Affairs considers a hyflex course as in-residence training if it meets the following criteria:

1. An undergraduate course allows students to voluntarily attend a course in-residence 1 hour a week, though the student has the option to take that hour online. You could certify this class as in-residence if you have supporting evidence that the student attended at least 1 of the in-classroom sections.
   Please note that taking tests, quizzes, exams, and midterms do not count toward in-person instructional time.

Without supporting evidence of in-classroom attendance, the course cannot be certified as in-residence and must be considered distance for VA education benefit purposes. Non-submission of this form will result in VA enrollment certification being updated to reflect the hyflex course as distance, which may impact VA education benefits for the semester.
