

Resolution 00.5.4 – Allocate Funds to Purchase New Computers:

May 15, 2000

Motion: McLeod

Second: Ontell

Whereas the President's Cabinet allocated funds to purchase each faculty member a personal computer and;

Whereas these computers have been a great aid to the faculty in accomplishing their duties and;

Whereas these computers were purchased in approximately one half the time assigned to accomplish the task and;

Whereas each new faculty member will greatly benefit from the use of a new computer;

Be it therefore resolved that the Academic Senate President request that each year the President's Cabinet set aside funds to purchase a new computer complete with the appropriate software and hardware peripherals for each new faculty member and;

Be it further resolved that the Academic Senate President write a letter of appreciation to Terry Davis thanking him for his extraordinary efforts in accelerating the purchase of faculty computers.

Motion to suspend the rules and vote on the resolution:
