**OLD BUSINESS. A. RESOLUTION ON EVALUATION OF ADMINISTRATORS  
96.9.1.**

...in favor of creating a district-wide committee composed of faculty senate representatives in order to establish the role of faculty in the evaluation of administrators and that this committee work with the Board in its continuing effort to develop a process for evaluation of administrators. We also ask that the committee issue a preliminary report back to the senate by the end of Fall 1996 semester.

President Locke indicated that we need to work with other senates to create a committee; that Miramar is at the same stage as Mesa and has expressed interest in working
