Name: Kyung Ae Jun

Department: Office of Institutional Effectiveness

Position: Research & Planning Analyst

Email: kjun@sdccd.edu

What does your department do?

The IE Office's work is interwoven in almost every aspect of campus operations with data we provide for lots of decision-making.

What do you do?

Various institutional data analysis and reporting in the Student Services and Tutoring area (Have you visited Data Dashboards Website yet?)

Common issues you help students/staff with?

I do not work directly in-person with students; however, I am trying to positively impact student achievement and outcomes through what I do at the IE office.

What do you like best about your job?

I love working at Mesa. The campus is beautiful, welcoming, and has a great vibe that charges me with lots of good energy!

Fun Facts:

My favorite food is Korean street food. If you have not tried K- fried chicken, I highly recommend soy garlic-flavored chicken. (Ask me for recommendations in the Convoy area!)
