Note 1. Due to improved data availability and extended student access within Campus Solutions, the Fall 2019 data extracts occur on Sundays at 11:55pm, while Fall 2018 historical data is as of Saturdays at 9pm.

Note 2. Due to a technical error in Campus Solutions, one weekly census course is populating with zero weekly attendance hours. This is causing this course to populate with 0 FTES.

Note 3. An issue in Campus Solutions is causing non-state supported classes to have regular accounting methods, potentially influencing results.

Note 4. Positive attendance courses are excluded from this report due to issues with Campus Solutions data.

Note 5. A new FTE variable is being used to calculate FTES/FTEF as of the 9/2/2019 report to ensure accuracy with Campus Solutions data.
