CRUISE Highlights:

HSI STEM was able to provide information regarding our program to 80 + students during Winter CRUISE. We look forward to continuing our outreach in collaboration with Student Services and other departments across campus in this new virtual format! Check out our Jam Board: <https://bit.ly/STEMsayshi>

STEM PEER MENTORING

STEM Peer Mentoring is offered via Zoom for the following courses:

- BIOL 210A
- CHEM 200 & 201
- ENGE 200 & ENGE 250
- MATH 150 & MATH 151
- PHYS 195 & PHYS 196

Please visit

tinyurl.com/SP21-PM

to view the Spring 2021 STEM Peer Mentor online hours and a link to their Zoom room

Learn more about the Peer Mentors here:

STEM TEACHER ED PROGRAM

Learn more about our STEM Teacher Ed Program!

Join us this Friday, February 19th from 12pm - 1pm, at our Spring 2021 "Meet N Greet"!

Prof. Paula Gustin (Chemistry), Prof. Shane Briggs (Math), and Prof. Patty Rodriguez (Personal Growth & STEM Counselor) will be there to meet you and answer your questions about teaching math and science as a profession.

RSVP @ https://bit.ly/STEMTE_021921

STEM CORE

STEM Core continues to be a valuable student pathway!

A student survey was conducted to learn about student experiences in the STEM Core program at San Diego Mesa College. Over half of respondents reported they have accessed this resource in the current term (35% once; 22% more than once). Among those who accessed the STEM Core Student Support Coordinator, **92% found it somewhat or very helpful**. With the help of our STEM Core team, our STEM Core students have created their very own STEM Corner, a student led space created to discuss STEM topics, and are currently working on developing their own podcast! **CLICK HERE TO SIGN-UP FOR THE 2021-2022 STEM CORE PROGRAM INTEREST LIST**
