Please visit [MySDCCCD Student Support Center](#) for more information and a step by step guide on how to accept or decline your offered Direct Subsidized Loan award(s).

Note: Offered award amounts for loans will not automatically disburse and will need to either be accepted/updated or declined in [MySDCCCD portal](#). Loans in offered status will not pay for mandatory fees or be refunded to you. Once you have accepted your loan you will not be able to make any additional updates to the award in Self Service once it has been sent for origination. If you have declined your offered award, you will not be able to make additional updates to accept/increase the loan award amount. For changes after an accepted loan has been processed, please contact the Financial Aid Office. Please check your "To Do List" for any outstanding loan requirements needing to be fulfilled once you have accepted the loan in Self Service.

For additional information, please visit our webpage: <http://www.sdmesa.edu/financial-aid/programs-available/federal-direct-subsidized-loan.shtml>

IMPORTANT INFORMATION: Financial Aid Office is encouraging students with aid awards other than the CCPG to sign-up for Direct Deposit. Students enrolled in Direct Deposit will have their financial aid funds deposited directly into their bank account, rather than receiving a paper check.

To sign up for direct deposit just login to mySDCCCD at <http://my.sdccd.edu> and click on "Sign Up" in your Financial Aid pagelet.

For step-by-step instructions please click on this link: [MySDCCCD How to Sign Up for Direct Deposit](#)

Note: You must sign up by *Thursday at 11:59 p.m.* to have your direct deposit take effect for financial aid disbursed that week. This deadline may change if holidays take place on Fridays.

If you do not wish to sign up for direct deposit please be advised disbursements will be processed in the form of a paper check mailed to you via U.S. postal mail.

It is important that you verify your current mailing address by logging into your mySDCCD account at <http://my.sdccd.edu>.

You do not need to be enrolled full-time to receive Financial Aid but if you enroll in less than 12 units, your actual award will be reduced or canceled depending on the program requirements. Your Pell Grant payment will not be further adjusted if your enrollment level changes after the census date, unless you do not attend or drop any late start class before the first day of classes. However, you must enroll only in courses that apply to your academic plan to maintain your aid, and you must be enrolled in all your classes including short term classes by the semester census date in order for the Pell Grant to pay for those classes.

If the above award does not meet your needs, other resources may be available.

Please login to the student portal: mySDCCD at <http://my.sdccd.edu> to view your financial aid information. Students will be able to use mySDCCD to view their financial aid status, awards, communications, and any "to-do" items pertaining to their financial aid application. For information on how to access and use the portal, [please click on this link](#). Please note, financial aid forms require [Adobe Acrobat](#) to view.
