

Find The Constant Contact Training Session Right for You!

We've had the opportunity to see how well Constant Contact has been working for some of our Student Services departments, and would love to help yours achieve the same!

Available Sessions

Part I

- Building an email campaign
- Reviewing past campaign analytics
- Sending & scheduling a campaign in advance
- Adding contacts & creating contact lists

Part II

- Including dynamic content within email campaigns
- Utilizing email automation features
- Removing contacts
- Creating a signup/landing page

To find out more about how Constant Contact can benefit your department, or to schedule a training session, please email us directly at:
