Comprehensive Master Plan

Task Force Meeting #4
April 21, 2020

CHECKING IN

A photograph of a wooden desk in a bright, modern office setting. On the desk, there is a silver laptop with a black screen, a white coffee cup on a saucer, and an open notebook with a pen resting on it. The background is softly blurred, showing a window with light coming through and some greenery.

Given the current situation and recent changes implemented in response to the need for social distancing:

What IS working for you?

What is NOT working?

DEPARTMENT & PROGRAM INTERVIEWS

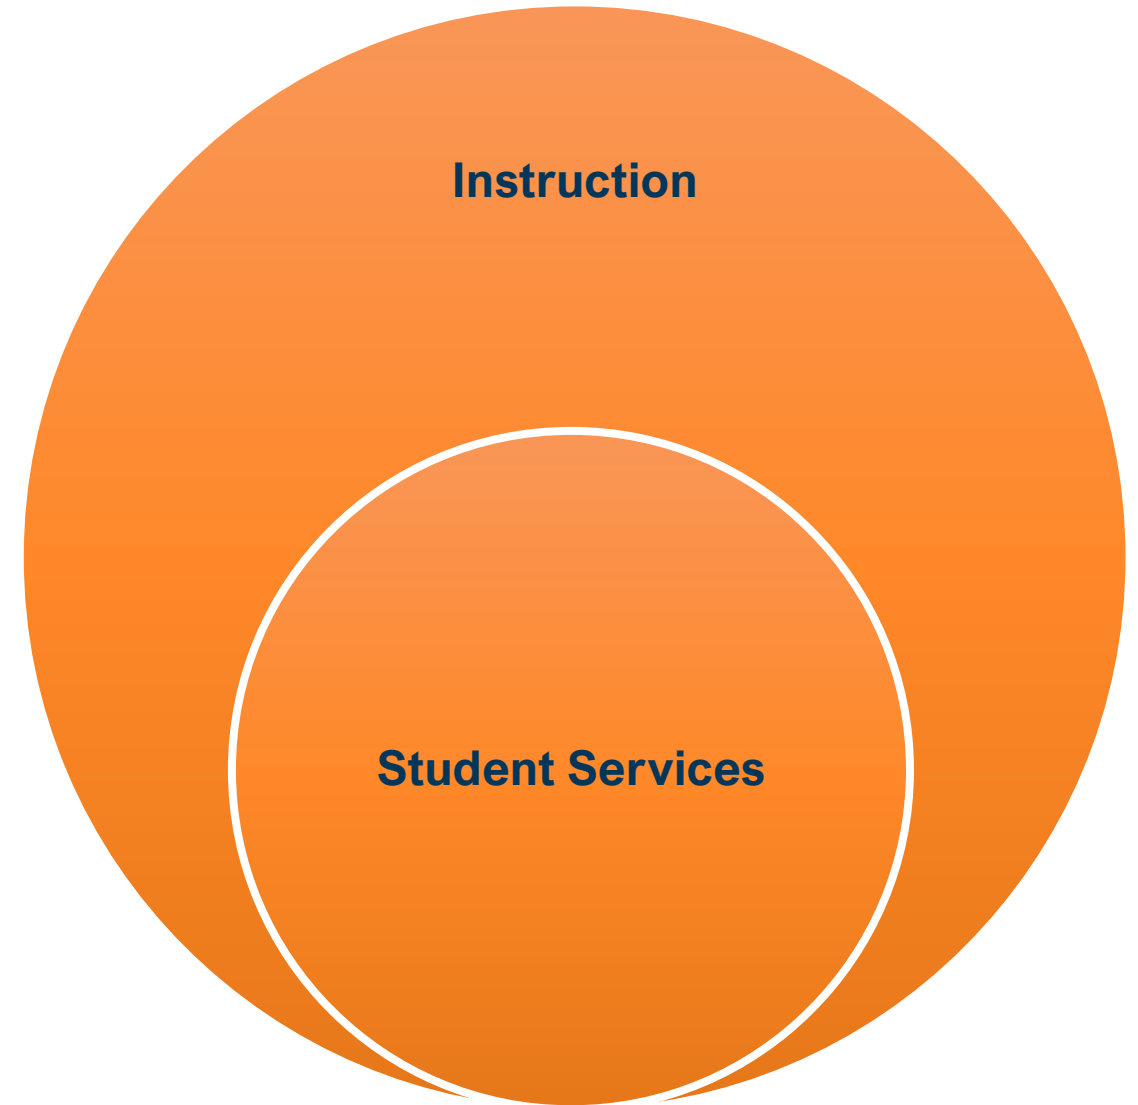

— Spring & Fall

SPRING DEPARTMENT & PROGRAM INTERVIEWS

Representatives of **10** Departments & Program Interviews

- Interviews with educational and facilities planners via Zoom
- April 28 – May 7

Feedback from pre-interview discussions:

- What trends do you foresee specific to your discipline or service by 2030?
- What additional strategies and actions can be taken to improve outcomes for underrepresented student groups?
- How effective are your existing facilities in supporting your program/service?
- What is your vision of Mesa College in 2030?

New Questions:

- Given the current situation
 - What is working?
 - What is not working?
- What implications do you think this will have in the future?
