

Governance Committee Self-Evaluations

GOVERNANCE COMMITTEES

College Governance Committees are designed to make decisions and then recommendations directly to the President's Cabinet and the President. Governance Committees often represent operational committees through the governance process and they are represented by faculty, students, staff, and administration. Through this inclusive representation, all stakeholders have the opportunity to take part in the decision making process.

ACCJC Recommendations for Improvement

A consistent formal self-evaluation process should be developed and implemented across all committees and the outcomes of that process should be posted on the governance website
