Comprehensive Campaign Activity

Krista Stellmacher, Director, Development / Entrepreneurship

During the retreat participants completed a survey that will inform our fundraising priorities for Mesa's comprehensive campaign. Thank you to those of you who completed it. We ask that you please distribute this survey to the broader campus community and encourage them to submit no later than December 8. The more responses we get, the better. The results of this survey will be used to help create the materials that will be shown to donors to demonstrate where they can invest.
