CLOSING REMARKS

We, at San Diego Mesa College, acknowledge that the land we occupy is unceded territory of the Kumeyaay people, indigenous to this region from time immemorial.

The Kumeyaay people continue to demonstrate strength in their ability to surmount generational trauma, which started with the injustices of colonization and continues to this day.

The relationship of the Kumeyaay people with the land underlies their strong commitment to protect the land, preserve their heritage, and work for balance and harmony.

This land acknowledgment is our commitment to honor the Kumeyaay people and to establish a relationship with them based on truth and mutual respect
