

Current

Proposed

<p>PURPOSE</p> <p>The Environmental Sustainability Committee (ESC) is responsible for educating faculty, staff, and students regarding recycling, conservation, and hazardous waste disposal. The Committee investigates projects and policies that encourage compliance with AB 75 and encourages the College to satisfy the guidelines of SABRC (State Agency Buy Recycle Campaign). The Committee oversees sustainable development on campus and works with building committees and green architects. The Committee reviews the annual AB 75 report, and summarizes the findings for the Academic Senate. The Committee assesses campus needs regarding recycling and environmental stewardship and provides feedback to the President.</p>	<p>PURPOSE</p> <p>The purpose of the Environmental Sustainability Committee (ESC) is to provide a forum for campus-wide efforts to improve environmental sustainability, and to develop and coordinate the implementation of Mesa's Climate Action Plan. The committee will collaborate with relevant governance groups and provide recommendations to the President's Cabinet.</p>
<p>GOALS</p> <ol style="list-style-type: none"> 1. Raise awareness of environmental issues on campus and in the wider area. 2. Identify, promote and support initiatives that promote sustainability on campus. 3. Sponsor campus events and activities that support sustainability. 4. Promote interdisciplinary cooperation and inclusion of sustainability topics into the curriculum. 5. Help students identify "Green" career paths. 	<p>GOALS</p> <ol style="list-style-type: none"> 1. Identify, develop, and implement initiatives that improve sustainability on campus, including Mesa's Climate Action Plan. 2. Raise awareness of environmental racism, of the equity implications of climate change, and of other environmental issues on campus and in the community. 3. Sponsor campus events and activities that support sustainability. 4. Promote interdisciplinary cooperation and inclusion of sustainability topics into the curriculum. 5. Help students identify "Green" career paths.
