**SB FS20 001**

**WHEREAS** The Associated Students are representatives of the generation which will be directly impacted by the effects of climate change, and in order to represent these interests the Associated Students commits to upholding the principles of sustainability and waste reduction; and

**WHEREAS** A Green Revolving Fund would promote on-campus conservation and waste reduction by providing funding for sustainability projects that reduce energy consumption, provide educational opportunities, and generate savings; and

**WHEREAS** The Green Revolving Fund will provide funds for on campus sustainability projects, as these projects begin to produce savings, those funds can be diverted to programs that directly benefit students; and

**WHEREAS** In order to represent student interests as funds are allocated from the Green Revolving Fund, Associated Students representatives may advise the Green Revolving Fund Account Custodian, and this advice may include but is not limited to: potential project proposals, voicing opposition to projects, advice on the direction of a project, and lobbying funding for student-led sustainability initiatives; and

**WHEREAS** In order to reduce our campus carbon footprint, the Associated Students pledges support for the Green Revolving Fund, because it will fund sustainability initiatives that will allow our school to reduce our energy consumption.
