“Every system is perfectly designed to get the results it gets.”

- Dr. Paul Batalden

Enter Guided Pathways

The Guided Pathways framework creates a highly structured approach to student success that:

Provides all students with a set of clear course-taking patterns that promotes better enrollment decisions and prepares students for future success.

Integrates support services in ways that make it easier for students to get the help they need during every step of their community college experience.

What's Different Here?

“Guided Pathways” represent a comprehensive approach to improving student completion.

- Focuses on institutional transformation
- Provides an overarching framework to integrate diverse initiatives & reforms underway
- Brings together evidence-based practices into a more coherent whole
- Emphasizes interventions that work at scale
- Creates clear, intentional, well-sequenced curriculum and program design
- Keeps students at the center of the (re)design process

“Mesa”nized Pathways

- Creating a vision of the Mesa Journey
- What do we want our students to experience?
