

SAN DIEGO MESA COLLEGE

Participatory Governance Group Organizational

Group Name: Mesa's Instructional Council (MIC)

Description/Purpose: The Instructional Council will meet to discuss the impact of college and state-wide instructional related initiatives, policy and procedures. The council will serve as a high level planning, collegial, consultative team and will work together to develop solutions amongst instructional leadership representatives.

Responsibility and Reporting Lines (to whom): President and PCab

Accountability (if and what):

Relationships (sub-committees, taskforce, etc.): Sub-committee of PCab

Goals:

- To foster a pro-active approach to addressing challenges and opportunities associated with initiatives related to instruction at Mesa College.
- To support the campus effort of better communication specifically related to instructional matters.
- To assess and make appropriate recommendations to senior administration and PCab regarding matters pertaining to instruction at Mesa College.
- To achieve unity in the development, interpretation and implementation of instructional initiatives, policy, and procedures.
