2. Communicate institutional effectiveness efforts through the Institutional Planning & Governance Guide (IPGG)
3. Advance the planning work of the College using data- informed dialogue and decision-making
4. Review progress with College-wide goals and their relationship to the Educational Master Plan in preparation for the new Educational Master Plan
5. Maintain sustained continuous quality improvement while moving through planning and accreditation processes

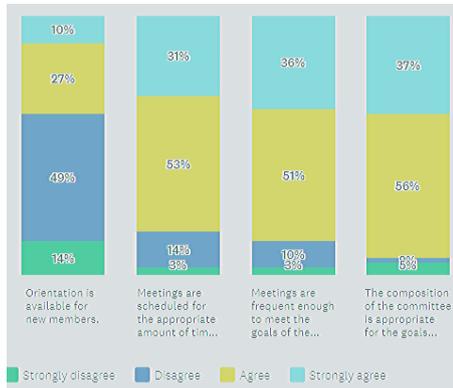

Progress Toward Goals

Committee Report Template

Governance Survey Results

In response to results the governance survey, PIEC in collaboration with the Brave Communication work group, developed and a communication template for committees to use to report relevant updates from meetings to constituency groups.

Committee Chairs Orientation

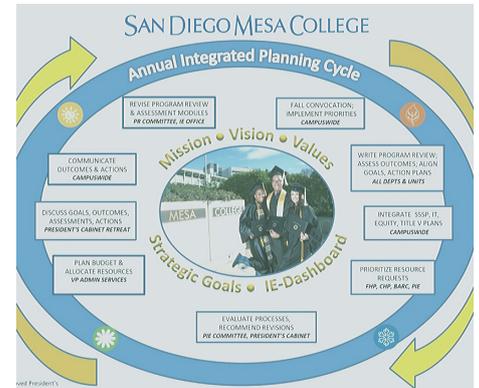

Governance Survey Results

In response to results the governance survey, PIEC in collaboration with the LOFT, will begin developing an orientation for Committee chairs that will include Professional Learning around effective meeting strategies, committee roles within the larger governance model, and other relevant training. Hopeful implementation for Fall 2020.

Integrated Planning Calendar

Updates from representative

PIEC has embedded report out sessions once per month from all major committees and initiatives during which time we update the UP calendar and confirm we are maintaining alignment with the work that should be accomplished.

Assess Integrated Planning Model

Recommendations from MPTF

In response to a recommendation from our Master Planning consultants, PIEC in collaboration with the Master Planning Task Force and President's Cabinet, conducted an assessment of our Integrated Planning Model. Recommendations for long term and short term planning models as well as integration with other major processes on campus will be made to Pcab in the coming months.
