

# Safety & Facilities Committee: A New Charge

- The Mesa College Safety & Facilities Committee provides a venue to address facilities and safety related issues and promote safety in all areas across the campus.
- The Committee provides planning related to facility and safety enhancements, emergency contingencies, and disaster preparedness, while also reviewing major facility issues which impact the college, providing long-range facilities planning and overseeing the maintenance, repair, remodeling of Mesa College's buildings.
- The Committee meets monthly to review safety reports, workplace accident/injury reports and recommendations from Safety Officers, determine, plan and implement safety training, direct measures for hazard abatement, and disseminate workplace safety rules and campus facilities maintenance and repair updates.
- Recommendations will be brought directly to President's Cabinet.
