Continuing the tradition initiated in 2004, the **Financial Aid Office** is honored to host the Financial Aid Information Fair previously known as the Student Services Fair. We sincerely hope that you will be able to join us.

As in prior years, there will be a table displaying each of the Student Services areas. Participating students will be able to obtain information on services available. These services are designed to assist students with:

- Financial resources available to eligible students
- Transfer information
- Career opportunities
- Tutoring options in math, science and writing
- Counseling services
- Health Services available on campus
- Student life, government and clubs
- Services available for students with disabilities

Student will need to visit seven (7) participating areas and collect a stamp in their "Survey" to get a free lunch.

Looking forward to another successful fair 😊
