

Parking

Parking Decals/Passes are issued to faculty members after they complete the required form and submit it to Carlota Vidrio, the Administrative Assistant for the School of Humanities. Once complete, she will ask the dean to approve the request and submit it to the district staff. District staff deliver parking decals to the campus police who then notify you when the decal is available to be picked up from the campus police office.

Please have the following information when completing the form:

Vehicle Make
Vehicle Model and Year
License Plate Number and State

Where to Park

Detailed information regarding available lots can be found on the Mesa College website, District website, and on the campus map.

Please display your decal at all times while in a college parking stall.
