

COMPLAINTS

A complaint is defined by the Commission on Dental Accreditation as one alleging that a Commission-accredited educational program, a program which has an application for initial accreditation pending, or the Commission may not be in substantial compliance with Commission standards or required accreditation procedures.

NOTICE OF OPPORTUNITY TO FILE COMPLAINTS: In accord with the U.S. Department of Education's Criteria and Procedures for Recognition of Accrediting Agencies, students have the opportunity to file complaints with the Commission.

The Commission on Dental Accreditation will review complaints that relate to a program's compliance with the accreditation standards. The Commission is interested in the sustained quality and continued improvement of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for treatment received by patients or individuals in matters of admission, appointment, promotion or dismissal of faculty, staff or students.

A copy of the appropriate accreditation standards and/or the Commission's policy and procedure for submission of complaints may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611-2678 or by calling 1-800-621-8099 extension 4653.

As required by the Commission on Dental Accreditation, all complaints will be documented and kept on file by the dental assisting program.
