

Workgroup Report

Project #1:

Activities Completed

- Compiled results from the Pathways Retreat into the Completion Focused Matrix
- Identified data sources and reached out to data stewards where collaboration is necessary

Activities Planned

- Working on Data Coaching Handbook
 - Overview of the program, the who, what and why
 - Timeline for outreach regarding the 9 data points
 - Reference to successful case studies on campus: Journey to Completion and Olympian Pathways Prototype
- Working on structure of compensation for Data Coaching Team. Will present to MPC Exec Team for approval.
- Launch pilot training program in the Fall with 20-hour commitment for the semester
