**IV. Leadership of the Workgroup for 20-21**

-work group voted unanimously for Ian and Cynthia to continue as work group leaders for the upcoming 20-21 academic year

**V. Planning for Fall**

**a) Meta-majors/Areas of interest, etc.**

-Ian reported he was not able to present this part of the PowerPoint presentation at the last Chairs meeting due to time constraints

-Fall flex activity was discussed: convocation was suggested or maybe another day during flex

-Howard suggested that education about the definition of meta-majors should be discussed first

-he suggested looking to the glossary that was recently developed for definitions

-Ian asked if this glossary had been finalized and Howard indicated he would check

-suggestion was made to look at what other colleges have done with meta-majors

-work group members indicated they could do this over the summer

-look at information paper written by the Academic Affairs Committee

**b) Mapping**

-Fall flex activity was discussed

\*\*The group agreed on two main focuses for 20-21 academic year:

1) finalize mapping

2) meta-majors/areas of interest discussion

-----  
>>Ian will plan two one-hour flex events for Fall Flex

-one for Mapping and one for Areas of Interest/Meta-majors

>>Dina will forward to Ian a summary list of colleges that have already done work on meta-

Majors, along with the Academic Affairs paper so the group can look at these over the summer
